

Fathima Imara Mohammed Ashker

CHEMICAL ENGINEERING STUDENT

PROFESSIONAL SUMMARY

I am a chemical engineering undergraduate seeking to apply my extensive academic background and laboratory experience in an organization with an innovative vision. I am looking forward to contributing to a dynamic team and supporting research and development efforts.

Doha, Qatar

EDUCATION

Bachelor of Science in Chemical Engineering | 2024-2028

Qatar University

- Relevant Coursework: Organic Chemistry, Physical Chemistry, Engineering Ethics, Thermodynamics, Physics, Calculus
- CGPA: 3.95

Highschool Education in scientific track | 2023

- High school percentage: 100%

RESEARCH EXPERIENCE

Undergraduate Research | January 2026 - Present

Center of Advanced Materials (CAM), Qatar University

- Currently working with a research team to produce innovative conductive textile fibers for fencing suits and writing a literature review for publication.

WORKSHOPS/HACKATHONS/EXTRACURRICULARS

QRDI X Iberdrola X Lumi Hackathon | January 2026

- Designed prototypes and proposed the solution to monitor micro cracks in solar panels under renewable energy rescue mission for this industry-led hackathon.
- Obtained a design thinking certificate (Singapore Biodesign, Stanford-affiliated) and a Lumi Skills Passport.

Qatalum: Metal of the future | 2025

Qatar University

- Proposed a research abstract on integrating Al-ion batteries into solar powered vehicles for improved efficiency.

Qatar national dialogue on climate change | 2025

QNCC, Qatar

- Engaged in Qatar National Dialogue on Climate Exchange as a youth delegate, completing a capacity-building workshop on climate change and sustainability.

Duke of Edinburgh's Award (DOFE) | 2023

Stafford School (SSLSD), Qatar

- Learned leadership, communication, and teamwork skills through volunteering, extracurriculars, and leadership camps.
- Bronze Award Level

First Responder Course | 2022

Hamad Medical Corporation, Qatar

- *Learned AED usage, Basic Life Support (BLS), and essential emergency care skills.*
- *Completed 25 hours in training*

High School Prefect | 2021-2023

Stafford School (SSLSD), Qatar

- *Appointed as a Prefect, reinforcing organizational, communication, and leadership skills.*

Experiment Club | 2021

Stafford School (SSLSD), Qatar

- *Founded a science experiment club for young students, creating and leading interactive learning sessions.*
- *Completed 3 months of instructing students during summer.*

Gardening Club | 2021

Stafford School (SSLSD), Qatar

- *Participated in a sustainability-focused gardening club, producing compost and encouraging tree-planting initiatives.*

VOLUNTEERING EXPERIENCE

AFC Asian Cup | 2024

- *Volunteered in spectator services and supported event coordination and crowd management.*

Amir Cup | 2024

- *Volunteered in spectator services through scanning tickets, supported event coordination and crowd management.*

Volunteering at the heart hospital | 2023

Hamad Medical Corporation, Qatar

- *Shadowed physicians in clinical settings to observe patient care and medical procedures.*
- *Completed 20 hours in shadowing.*

Volunteering at the emergency and trauma department | 2022

Hamad Medical Corporation, Qatar

- *Shadowed physicians in clinical settings to observe patient care and medical procedures.*
- *Completed 30 hours in shadowing.*

AWARDS

- *Dean's List Award, Qatar University (Fall & Spring 2025)*
- *High Achiever Award, SSLSD (Edexcel A-levels 2023)*

SKILLS

- *Project Management*
 - *Microsoft Office Suite*
 - *Research and Laboratory Skills*
 - *Teamwork*
 - *Time Management*
 - *Leadership*
 - *Adaptability and Flexibility*
-
